

Sonshine September Newsletter

Dear Parents,

We had a great start to our school year! The Sonshine class has been learning about Autumn. We went on a leaf hunt, did a pressed leaf painting project, and learned how to write the letter A. We have also been learning sign language and more Spanish vocabulary. We will be going on a walking field trip to Cub foods on September 27th to get apples for Autumn art and nutrition projects. Please have your child wear a red T-shirt, walking shoes, and a jacket on this day. Also, please sign the permission slip that is next to our Sonshine parent file box.

Many Blessings,
Miss Shannon
